

# KINDNESS IS COOL!

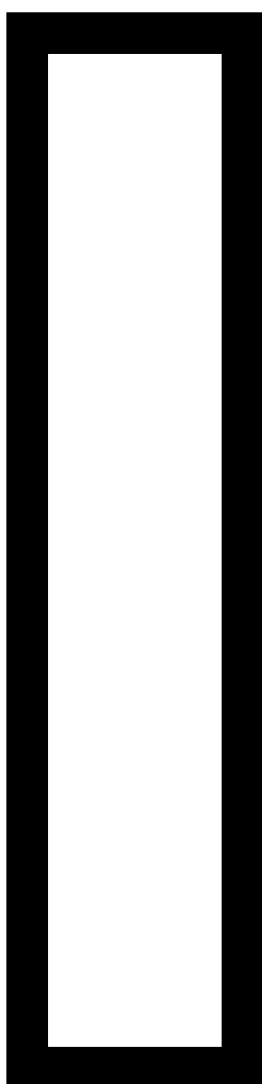

1. Print and cut out the sun , the letters, and several sheets of the sunglasses on card stock (or use pre-cut letters).
2. Post the letters and sun on a bulletin board where your students can see it.
3. When you "catch" a student being kind, write what they did on a pair of sunglasses and place it on the bulletin board.
4. See how many raindrops your class can collect in a week or in a month.
