

# YOU'RE O'FISHALLY KIND!

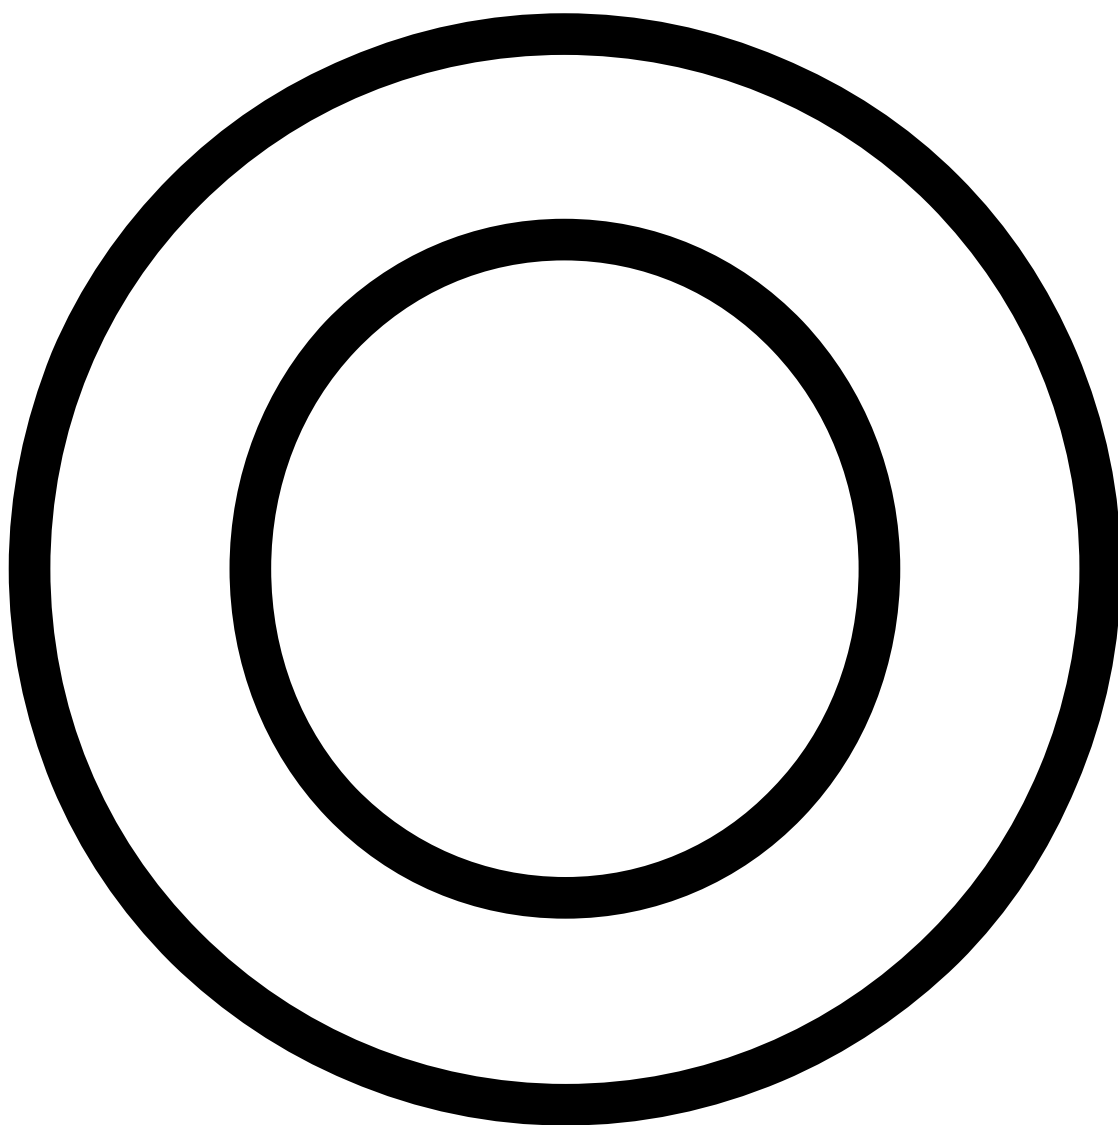

1. Print and cut out the ocean, the letters, and several sheets of the fish on card stock (or use pre-cut letters).
2. Post the letters and ocean on a bulletin board where your students can see it.
3. When you "catch" a student being kind, write what they did on a fish and place it on the bulletin board.
4. See how many fish your class can collect in a week or in a month.
