

Ways to Use The Summer Kindness Notes

1. Print out the You're So Kind Summer Kindness Notes on cardstock.
2. Cut out the cards so they're ready to use.
3. You can write your name on each of the cards or choose to remain anonymous so the notes are more of a random act of kindness.
4. For the lemonade notecard, tape a lemonade packet to the note before delivering. If there's more than one child at the house, make sure to include the right number of lemonade packets.
5. The card asking neighbors if they need help is perfect for anyone living alone, single parents, parents with a newborn baby, or elderly neighbors.
6. When you go on a family walk or to the park you can slip them into someone's mailbox.

I hope
you're
doing well!

I'm glad we're
neighbors because

I loved
smelling
your BBQ!

You're So Sweet
because _____

You have the
prettiest
yard
in the
neighborhood!

I like your flowers.

Enjoy this
cup of
lemonade!

Let us know if you need
anything this spring!
