Teaching Kindness is Essential.

When children don't feel welcomed, included, and physically and emotionally safe, they won't be able to learn. I'm Nicole Black and I create resources to help create a classroom community, to limit bullying behaviors, and to intentionally help kids speak and act with kindness more often.
Kindness can be taught. This resource will help you do it.

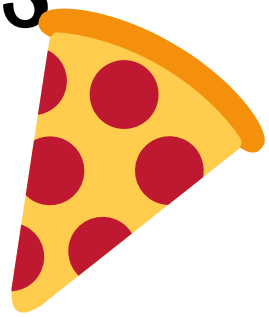
How to Use the Kindness Pizza Challenge



1.Print the version you wish to use: black and white to color in pizza or color version and cross off pizza.

2. Every time one kiddo is kind to another, they get to color in a pizza or cross off a pizza.

3. When they get to the end, they get a sibling pizza date or a class pizza party. You can go out for pizza or bring dinner in/make a frozen pizza and have a pizza and movie night or a class party if doing this with students. They can also get pizza lunch and eat indoors with a teacher and a movie.
